All the above in order to enable the Company to continue to have at its disposal an important instrument of flexibility, which might be used for: i) investing liquidity in the medium and long term, or for purposes of optimizing the structure of the share capital or in any case for taking advantage of market opportunities; ii) limiting, in accordance with the provisions in force, unusual movements in quotations and regularizing trends in trading and prices in situations of temporary distortions due to an excess of volatility or a low level of trading liquidity; iii) creating a portfolio of treasury shares that can then be deployed for uses deemed to be the interest of the Company, including the servicing of stock incentive plans or the issuing of bonus shares to shareholders.

In addition, the Shareholders' Meeting also authorized the disposal, in whole or in part and without time limit, also through intermediaries, of treasury shares purchased according to the above terms, even before having fully exercised the authorization to purchase referred above, at a price or, in any case, in accordance with criteria and conditions established by the Board of Directors, having regard to the procedures actually deployed, the trend in share prices in the period preceding the transaction and the best interest of the Company, in

accordance with the purposes (including those set out above) and in any means permitted by applicable laws or regulations, including European ones;

- to appoint for the years 2020-2022 (and therefore until the Shareholders' Meeting is called to approve the financial statements as at 31 December 2022) the Board of Directors comprised of nine members: Giuseppe Pasciucco, appointed as Chairman, Aldo Mancino, Stefano Ciccotti, Donatella Sciuto, Paola Tagliavini, Barbara Morgante, Annalisa Raffaella Donesana, Riccardo Delleani, (selected from the majority slate submitted by RAI–Radiotelevisione italiana S.p.A., which holds an equity interest of approximately 64.971% of the ordinary share capital) and Umberto Mosetti (selected from the minority slate submitted by Artemis Investment Management LLP, on behalf of and as investment adviser of investment funds holding a combined equity interest of approximately 9.981% of the ordinary share capital). All of the Directors, with the exception of Giuseppe Pasciucco, Aldo Mancino and Stefano Ciccotti, stated to meet the independence requirements provided for by law (articles 147-ter, paragraphs 4 and 148, paragraph 3 of the Consolidated Law on Finance) and article 3 of the Corporate Governance Code for listed companies adopted by the Company. The Shareholders' Meeting also resolved to set at €475,000.00 per year the maximum gross compensation for the appointed Board of Directors, also considering the remuneration to be paid to members of the Board committees and without prejudice to the Board of Directors' power to establish, as provided for by the articles of association, and after consulting with the Board of Statutory Auditors, the remuneration of the Chairman of the Board of Directors, the Deputy Chairman, the CEO and, in general, of the Directors vested with specific duties, in accordance with article 2389, paragraph 3, of the Italian civil code.

Please note that the above-mentioned slates, along with the curricula vitae of the appointed Directors, are available on the corporate website www.raiway.it (Governance/Shareholders' Meeting/Meetings/ Ordinary Meeting 2020).
